Rendezvous for Robbers Supposed to Be Located Near Old Anderson Hospital.

That there is a rendezvous for holdup men in the vicinity of the old Anderson hospital building, at the rear of No. 254 South Third East street, is the belief of residents of that neighborhood. Following residents of that neighborhood. Following the holding up and robbing of Thomas W. Holmes, vice president of the King-Browning Hardware company, last Sunday night, there have been several occurrences of a suspicious nature, the latest being the slugging and robbing of an intoxicated man on the lawn of the D. E. Moore home at No. 254 South Third East street at about 5 o'clock yesterday morning.

The hold-up yesterday morning was witnessed by Mrs. D. E. Moore, who had arisen early and had gone to the front veranda for the morning paper. Mrs. Moore says she is positive that the man, whose identity has not yet been made known, was robbed of money and valuable papers. able papers.

FIREBUG BLAMED FOR DWELLING'S DESTRUCTION Fire believed to be of incendiary origin destroyed a small frame house owned by Henry Woodland at 1168 Bryant avenue, about 3 o'clock yesterday morning. The house was valued at \$400 and the contents at \$700. Mr. Woodland is visiting in Idaho and his wife in southern Utah. The absence of the family and the fact that there had been no fire about the premesis leads the neighbors to believe that an incendiary is responsible. Hose company No. 5 responded to the alarm, but had a run of two miles to make and could render but little service.
